AMIRHOSSEIN ABBASZADEH

Junior Frontend Developer

Torbat-e Heydarieh, Iran • ah.frontend.dev@gmail.com • +98 993 542 3036
GitHub • Telegram: @a1_m2_i3_r40

PROFILE

Frontend developer with two years of focused learning and hands-on project development. Interested in building responsive interfaces and interactive web experiences with modern frontend technologies. Enjoys exploring new tools, learning through practical projects, and continuing to develop as a frontend engineer.

SELECTED PROJECTS
